Submitted to His Highness.

Mr. Hassan Ali, having completed three years' service in the fifth class of Assistant Commissioners, Schedule B, on the 1st June 1910, has applied for promotion to the fourth class. The confidential reports regarding the work of this officer have been generally unfavourable, and the Excise Commissioner, under whom this officer served for practically the entire period of three years, is of opinion that his services "may not be considered as approved".

Page 7 of office note.

2. The First Councillor is of opinion that as in the case of Mr. B. Bhima Rao, about whose work the Excise Commissioner's opinion was less unfavourable, the promotion should be withheld for a certain period.

Page 7 & 8 of do —

3. I am of opinion and the Second Councillor agrees with me that the promotion has to be withheld until further orders.

4. In this connection I beg to invite a reference to para 3 of His Highness' order dated 25th June 1907 on the file re revision of the Civil Service Rules in June 1907, which is as follows:-

"It is not my intention that the promotion of these officers (Messrs. Bhima Rao and Hassan Ali) should be

contingent on their passing the departmental examinations. But they are not to be promoted in the ordinary course unless the reports of their superior officers on their work are thoroughly satisfactory, and they are to be informed to that effect".

5. I submit the case for His Highness' orders.

6. In the linked file, Mr. Hassan Ali has attempted to prove by reference to certain statistics and notices about his work in the annual administration reports of the Excise Department that his work as District Excise Officer of Chitaldurg was good and that the unfavourable report of the Deputy Commissioner of Chitaldurg about his work during the second half year of 1909, on which he was transferred to the Kadur District with a warning, was unfounded. He has therefore requested that the warning conveyed to him on his transfer to Kadur may be withdrawn. No action seems to be necessary on this representation.
